

House Resolution No. 479

Whereas, the members of the Missouri House of Representatives proudly pause to applaud the career achievements of those individuals who are retiring from the field of education; and

Whereas, the Gainesville R-V School District is losing a valuable member of its faculty with the retirement of Verla Cubbage who has taught fourth grade at the Elementary School for the past fifteen years; and

Whereas, Verla Cubbage has excelled in teaching her students about Missouri government by bringing more than three hundred youngsters to the state capitol on a bus driven by her husband, Verne, for all but one of the six excursions; and

Whereas, Verla Cubbage has supported her profession as cheerleading sponsor and as a member of the Community Teachers Association, the Parent Teacher Organization, and Delta Kappa Gamma International Society; and

Whereas, prior to assuming her responsibilities with Gainesville Elementary School, Verla Cubbage taught six years in Iowa, moved to Missouri with her family, and bought and operated a motel for several years; and

Whereas, Verla Cubbage is an active member of her church who has been blessed with the love and support of her husband, Verne Cubbage, and two children, Jennifer Cubbage, who has earned a Master's degree, and Jerry Cubbage, who has earned a Ph.D.:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-first General Assembly, join the Gainesville R-V School District in expressing appreciation to Verla Cubbage for her unparalleled service to Missouri's children and in wishing her the long, fruitful, and enjoyable retirement that she so justly deserves; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Verla Cubbage, as a measure of our esteem for her.
